- **Bolded items** are consumables. These are suggested quantities. Please replenish as needed throughout the year. Parents should check their students' binders and pencil pouches to ensure they are replenished.
- 7th Pre-Ap Math, 8th Math, and Algebra students should consider purchasing a TI-84+ calculator. These calculators are now allowed on the STAAR test and will be used in class. These are the same calculators that are used in high school.
- Individual teachers may require additional supplies once the school year begins.
- Students are allowed to carry backpacks (without wheels) to class.
