

Pflugerville Independent School District

Connally High School

2022-2023 Connally HS - Board Approved

Accountability Rating: C

Board Approval Date: October 20, 2022
Public Presentation Date: September 13, 2022

Mission Statement

The mission of John B. Connally High School is to provide quality learning experiences and to ensure that students are college and career ready while developing personal responsibility and values that will empower them to achieve to their fullest potential.

Vision

The vision of John B. Connally High School is realized through excellence in teaching and leadership by enabling:

Students to participate in 21st century blended academic opportunities that allow all students to become contributing citizens in an ever-changing world.

Students to be empowered with high expectations that allow all students to take personal responsibility for their actions and the resulting consequences.

Students to graduate with postsecondary personal, academic, career, and financial skills to accomplish their goals.

Value Statement

In collaboration with our families and community, we value:

Children, first and foremost

Safety and security

Uniqueness and diversity

High expectations

College and career readiness

Learning as a lifelong process

Equal access to a quality education

Comprehensive Needs Assessment

Demographics

Demographics Summary

Students

John B. Connally High School is located in North Austin and currently serves approximately 1,789 students in grades 9-12. The student population is approximately 59% Hispanic, 20% African American, 11% Asian, 8% White, and 2% Two or More Races.

While our diverse population is dynamic - and continually changes with the mobility of students - our Hispanic population has increased by almost 5% over the last 5 years.

Educational Aide	1	10	4	0	0	1	10	12	14	26
Teacher	4	15	20	0	0	3	103	73	72	145
Other	0	3	7	0	0	0	7	2	15	17

Connally High School has even distribution of teachers among genders. We continue to work on our diversity of staff and are currently more diverse than the national average.

While our student population is overwhelmingly diverse, our teacher population is not; as of 2020-2021, our White population of students was at 7.5% whereas our White population of teachers was 72.4%. Our population of Hispanic students, our largest student group for the 2020-2021 school year was 59.6% whereas our Hispanic teacher population for the same year was 10.8%. Our next largest student group, which is African American students, was 18.4% whereas we only had 11.3% African American teachers. This trend is similar among all groups. Thus, it is critical that we diversify our faculty/staff, which is a process we began during the 2020-2021 school year.

Teacher Demographics - Connally High School (Source: TAPR)						
	2016-2017	2017-2018	2018-2019	2019-2020	2020-2021	2021-2022
Total Teachers	136.7	132.9	134.4	129.7	176.1	155
African American	12.2%	11.9%	11.8%	11.5%	11.3%	
Hispanic	11.2%	11.4%	12.8%	14.0%	10.8%	
White	71.7%	72.5%	70.3%	69.1%	72.4%	
American Indian	0.7%	0.8%	0.0%	0.0%	0.0%	
Asian	0.4%	1.1%	2.2%	3.0%	3.1%	
Pacific Islander	0.0%	0.0%	0.0%	0.0%	0.0%	
Two or More Races	3.7%	2.3%	3.0%	2.3%	2.1%	
Female	52.4%	54.9%	55.3%	49.8%	50.9%	
Male	47.6%	45.1%	44.7%	50.2%	49.1%	

Connally High School has a range of experienced teachers. The percentage of beginning teachers and those with 1-5-years of experience have decreased over the last 5 years by approximately 4%, whereas the percentage of teachers with 6-10-years of experience and over 20 years of experience has increased significantly; in 2020-2021, CHS hired several beginning to 5-years-of-experience teachers.

Teachers by Years of Experience - Connally HS (Source: TAPR)						
	2016-2017	2017-2018	2018-2019	2019-2020	2020-2021	2021-2022
Beginning Teachers	6.9%	7.7%	7.4%	3.1%	4.4%	
1-5 Years Experience	28.1%	28.2%	24.5%	24.2%	29.4%	
6-10 Years Experience	29.1%	24.3%	29.1%	31.5%	26.7%	
11-20 Years Experience	24.0%	24.3%	24.7%	23.1%	24.9%	
Over 20 Years Experience	12.0%	15.4%	14.2%	18.1%	14.5%	

Connally High School has had a staff retention rate under 80% for the last four years.

Staff Retention Rate for 2016, 2017, 2018, 2019, 2020 By Count						
	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019	2019 - 2020	2020-2021
227904003 - John B Connally H S	81.2%	73.2%	79.7%	75.6%	79.3%	

Demographics Strengths

- Connally High School has a range of experienced teachers.
- Support for new teachers (0-3 years) includes weekly talks with the instructional coaches which encompasses reflections and trainings to specifically support new teachers and their experiences which increases the ability for collaboration between experienced and novice teachers.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): CHS teacher demographics do not match the student population demographics. **Root Cause:** There is a lack of interested people to the profession and hiring is at an all-time low.

Student Learning

Student Learning Summary

John B. Connally High School is a Targeted Support & Improvement School due to missing all except one Closing the Gaps targets for the Special Education student group for 3 consecutive years. These indicators are Graduation Rate, Academic Achievement (Meets Grade Level or Above) in ELA and in Algebra I. During the 2022-2023 school year, CHS will engage in the Effective Schools Framework (ESF) process for school improvement that includes the development and implementation of a Targeted Improvement Plan (TIP).

2021-2022 Student Performance

Assessment data from the 2021-2022 school year includes PSAT, AP exams, and TEA Interim Assessments.

When PSAT results from 2020-2021 are compared to 2021-2022, we see an increase in the number of students tested, yet a decrease in performance outcomes.

CHS PSAT DATA (2019-2022)

2022 Closing the Gaps

Connally HS was rated 'Not Rated' (64-D) in the Closing the Gaps domain. Targets that were met or missed in each area of Closing the Gaps by each student group is summarized below:

Definitions:

- *Academic Achievement* = Results at Meets Grade Level or Above
- *School Quality* = College and Career Readiness (CCMRs) for Class of 2021 Graduates (a year behind)

Indicator	Total Met	Total Evaluated	% Met	Weight	Score
Academic Achievement	1	20	5%	50%	2.5
Graduation Status	2	8	25%	10%	2.5
ELP Status	0	1	0%	10%	0
School Quality Status	3	10	30%	30%	9
Closing the Gaps Score					14

CHS missed 33 of 39 Closing the Gaps targets:

- Academic Achievement Status targets (performance at Meets Grade Level or above): **Missed 9 out of 10 targets for ELA**, by 9% for the All Students group.
- Academic Achievement Status targets (performance at Meets Grade Level or above): **Missed 10 out of 10 targets for Math**, by 33% for the All Students group.
- Graduation Rate Status targets: **Missed targets for 6 out of 8 student groups**, by 1.1% for the All Students group. The 90% federal graduation rate target was missed for the African American, Hispanic, Eco Dis, EL, and SPED student groups.
- Student Success Status targets were **missed for all student groups**, by 13 points for the All Students group.
- School Quality Status: **7 out of 10 indicators were missed.**
- CHS missed the English Language Proficiency Status target of 36% with only 34% of Emergent Bilingual students making progress in their TELPAS composite rating from Spring 2021 to Spring 2022.

	Academic Achievement				
Student Group	ELA/Reading	Mathematics	Graduation Rate	English Language Proficiency	School Quality

n/a Indicates data reporting is not applicable for this group or minimum size requirements were not met.

Student Learning Strengths

CHS students are hard working and supportive of their peers. Because of these strenghts CHS will implement a peer tutoring program to help students get back on track. One grant winner in the CTE department will do peer tutoring while serving students breakfast.

The National Honor Society will also implement a tutoring/study help program for students after school.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): On the 2022 Algebra 1 EOC test, 6% of CHS students performed at the Meets Grade Level standard, which is below the state average. **Root Cause:** CHS lacked consistency with a full time highly qualified teacher of record in some of it's Algebra classes. Newcomers who are in their first year in the country also have to take Algebra 1 STAAR in a language that is not their native language.

Problem Statement 2 (Prioritized): At Meets Grade Level of performance, outcomes on the 2022 English I EOC was at 30%, and at 34% on the English II EOC, which are below the state averages. **Root Cause:** A significant opportunity gap exists for 9th and 10th grade Emergent Bilingual (EB/EL) students. Similarly, many students are transitioning to high school with limited literacy skills and exposure. In the past, we have failed to provide significant intervention to close these gaps.

Problem Statement 3 (Prioritized): A very limited number of students take industry-based certification exams. **Root Cause:** Communication and preparation for industry-based certification exams are lacking.

Problem Statement 4 (Prioritized): Emergent Bilingual (EB/EL) student performance across 2022 STAAR EOC exams was significantly lower than the performance of other student groups. **Root Cause:** A significant opportunity gap exists for 9th and 10th grade Emergent Bilingual (EB/EL) students. Similarly, many students are transitioning to high school with limited literacy skills and exposure. The COVID interruptions have caused a continuous struggle for our students as we try to close the learning gaps.

Problem Statement 5 (Prioritized): Overall student performance on the 2022 Biology EOC shows slight improvement, though performance was below the state average. **Root Cause:** A significant opportunity gap exists for 9th and 10th grade Emergent Bilingual (EB/EL) students. Similarly, many students are transitioning to high school with limited literacy skills and exposure.

Problem Statement 6 (Prioritized): Special Education student performance on Reading and Math Closing the Gaps targets were missed for 3 consecutive years which identifies Connally HS for Targeted Support and Improvement to be addressed during the 2022-2023 school year. **Root Cause:** CHS staff is in need of professional development on how to appropriately serve all SPED students. CHS SPED department has struggled with staffing needs in previous years.

Problem Statement 7 (Prioritized): Our Economically Disadvantaged student group missed the Math targets for 3 consecutive years in Closing the Gaps. **Root Cause:** Many students are transitioning to high school with limited literacy skills and exposure. The COVID interruptions have caused a continuous struggle for our students as we try to close the learning gaps. In addition, our Eco Dis students may work to help their families which results in poor attendance and engagement issues.

School Processes & Programs

School Processes & Programs Summary

The teaching staff at Connally High School is highly qualified and certified. Supports are in place to retain teachers. Connally High School offers a new teacher mentoring program, new teacher PLC sessions, and new teacher orientation. The campus instructional coaches meet regularly with all teachers, and administrators regularly to offer feedback to teachers from walkthrough data. The campus instructional coaches and district support staff are available to assist teachers with improving student performance and increasing teacher effectiveness.

CHS provides bi-weekly job-embedded professional development for staff based on data obtained from walkthroughs and classroom observations. An additional focus is strategies to support Emergent Bilingual (EB/EL) students.

The Leadership Team meets the first Thursday of each month to formatively evaluate our processes and programs to improve systems.

CHS will implement an Advisory period, provide before and after school tutoring sessions, as well as Saturday school.

The Advisory time will focus on social emotional learning, building relationships, and closing learning gaps. Small group and individual tutoring will be offered during advisory, before and after school, and on Saturdays to meet the needs of HB 4545.

Late buses will run on Wednesdays and possibly more days of the week as necessary.

Professional Learning Communities

PLC collaboration enables teachers to dive into data together and create lesson designs that help all students succeed.

Core area PLCs meet two times a week on block schedule. During this time they address the 4 PLC questions:

- 1. What do we want our students to learn?
- 2. How will we know if each student has learned it?
- 3. How will we respond when they do not learn it?
- 4. How will we respond when some students already know it?

Academy meetings (by grade level) are held once a month to disseminate campus information, talk about student success, teacher needs, student data, and celebrations.

Technology: All students now have access to a 1x1 initiative with the district distribution of Chromebooks as a response to virtual learning requirements. All teachers have district-assigned laptops.

School Processes & Programs Strengths

Connally High School has a school improvement monitoring calendar in place that allows our campus to revisit strategies through a formative assessment process and make mid-course adjustments. Through this process, Connally High School utilizes input and feedback from classroom walkthroughs conducted by our Campus Leadership Team on an ongoing basis. In addition, our campus provides the opportunity for mid-course adjustments. These processes include Campus Academic Advisory Council meetings, Professional Development Leadership Team meetings, and Professional Learning Committee team meetings.

Our campus has common planning time and/or PLC time available for content areas during common planning periods and/or meeting times before and after school. The instructional

planning expectations include a focus on creating and analyzing data from common assessments. Each PLC has a teacher designated as the PLC lead teacher who facilitates the work done by the PLC's members.

Teachers at Connally High School have a voice in decision-making and school practices through our Leadership Team, Instructional Coaches, PLC meetings, and by voicing their feedback through the use of campus and district feedback surveys.

The school map and physical environment reveal that academic course classroom placement is focused on instruction. All of the academic and core classes are located in close proximity to one another. In addition, all of the freshman academic classes are in the same hallway and academic class for grades 10 through 12 are arranged by PLC to facilitate planning and collaboration.

CHS will offer tutoring in the morning, after-school, and during advisory class, as well as, implement a Saturday school beginning in September to provide small group tutoring and instruction.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): There are about 351 students that will qualify for accelerated instruction on our campus as a result of either not taking or an unsuccessful attempt on one or more EOC exams. **Root Cause:** The challenges of attendance and virtual learning resulted in fewer tests taken and a decrease in grades and earning credits.

Perceptions

Perceptions Summary

Teacher Retention

New teacher mentors receive district support and new teacher support meetings are a regular occurrence on the Connally High School campus.

Student Discipline & Behavior Support Team

CHS utilizes a modified restorative discipline approach in which the campus discipline coordinator, administrators, in-school suspension teacher and detention monitor implement restorative and reflective strategies to ensure students are restoring and repairing relationships which have been damaged within the course of a disciplinary incident.

The CHS social worker engages with students to minimize their anxiety and conflict, and to serve as a mentor and mediator.

Counselors have open door policy and engage with students to minimize anxiety and conflict.

Culture & Climate

Rules and expectations are clear and teachers believe in them.

Based on our **Upbeat Data Report**, in the category of Instructional Leadership, Connally High School is at 86% (+ 1.8 compared to the district). This includes teacher support of: campus communication, discipline, and knowledge of students. Other categories decreased slightly, but student engagement compared to 2021 increased 17.7%.

According to the 2021 Panorama Student Experience Survey results, Connally High School is in the 80 - 90th percentile in **classroom climate** and classroom **teacher-student relationships** are up by 10%.

Perceptions Strengths

Collaboration in PLC teams includes:

- Interactions of teachers and focus on student growth as we share instructional strategies and analyze our data.
- Sharing of information and strategies with new teachers.
- Building common assessments.

Students receive academic and social-emotional support from teachers and staff. Counselors and support staff work with students regularly and check on students progress.

CHS offers a behavior support team to assist students.

Based on the 2021 Panorama Student Experience Survey, perceptions of the quality of teaching and amount of learning students experience from a particular teacher was up in all categories - 90% favorable. Classroom climate and Teacher-Student relationships increased by 9% and 10% respectively.

2021 Panorama Family Engagement survey results showed the greatest increase in School Safety by 17% points.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): CHS disciplinary data shows that truancy generates the greatest number of student referrals on campus. **Root Cause:** The students' lack of ability to connect with or access the teacher's lessons as well as a struggle to build resilience and a basic lack of school spirit and engagement.

Problem Statement 2 (Prioritized): Students, staff, and parents lack a sense of belonging and pride for our campus. **Root Cause:** Lack of stakeholder involvement, student voice and choice, and physical environment.

Problem Statement 3 (Prioritized): Staff and student perceptions and beliefs are that students do not have the desire to achieve college readiness. **Root Cause:** Students and some staff that hold negative perceptions of their school, and teachers are not trained to build student confidence and address bias.

Priority Problem Statements

Problem Statement 8: CHS teacher demographics do not match the student population demographics.

Root Cause 8: There is a lack of interested people to the profession and hiring is at an all-time low.

Problem Statement 8 Areas: Demographics

Problem Statement 1: On the 2022 Algebra 1 EOC test, 6% of CHS students performed at the Meets Grade Level standard, which is below the state average.

Root Cause 1: CHS lacked consistency with a full time highly qualified teacher of record in some of it's Algebra classes. Newcomers who are in their first year in the country also have to take Algebra 1 STAAR in a language that is not their native language.

Problem Statement 1 Areas: Student Learning

Problem Statement 11: There are about 351 students that will qualify for accelerated instruction on our campus as a result of either not taking or an unsuccessful attempt on one or more EOC exams.

Root Cause 11: The challenges of attendance and virtual learning resulted in fewer tests taken and a decrease in grades and earning credits.

Problem Statement 11 Areas: School Processes & Programs

Problem Statement 9: CHS disciplinary data shows that truancy generates the greatest number of student referrals on campus.

Root Cause 9: The students' lack of ability to connect with or access the teacher's lessons as well as a struggle to build resilience and a basic lack of school spirit and engagement.

Problem Statement 9 Areas: Perceptions

Problem Statement 2: At Meets Grade Level of performance, outcomes on the 2022 English I EOC was at 30%, and at 34% on the English II EOC, which are below the state averages.

Root Cause 2: A significant opportunity gap exists for 9th and 10th grade Emergent Bilingual (EB/EL) students. Similarly, many students are transitioning to high school with limited literacy skills and exposure. In the past, we have failed to provide significant intervention to close these gaps.

Problem Statement 2 Areas: Student Learning

Problem Statement 7: Students, staff, and parents lack a sense of belonging and pride for our campus.

Root Cause 7: Lack of stakeholder involvement, student voice and choice, and physical environment.

Problem Statement 7 Areas: Perceptions

Problem Statement 10: A very limited number of students take industry-based certification exams.

Root Cause 10: Communication and preparation for industry-based certification exams are lacking.

Problem Statement 10 Areas: Student Learning

Problem Statement 12: Staff and student perceptions and beliefs are that students do not have the desire to achieve college readiness.

Root Cause 12: Students and some staff that hold negative perceptions of their school, and teachers are not trained to build student confidence and address bias.

Problem Statement 12 Areas: Perceptions

Problem Statement 4: Emergent Bilingual (EB/EL) student performance across 2022 STAAR EOC exams was significantly lower than the performance of other student groups.

Root Cause 4: A significant opportunity gap exists for 9th and 10th grade Emergent Bilingual (EB/EL) students. Similarly, many students are transitioning to high school with limited literacy skills and exposure. The COVID interruptions have caused a continuous struggle for our students as we try to close the learning gaps.

Problem Statement 4 Areas: Student Learning

Problem Statement 6: Overall student performance on the 2022 Biology EOC shows slight improvement, though performance was below the state average.

Root Cause 6: A significant opportunity gap exists for 9th and 10th grade Emergent Bilingual (EB/EL) students. Similarly, many students are transitioning to high school with limited literacy skills and exposure.

Problem Statement 6 Areas: Student Learning

Problem Statement 5: Special Education student performance on Reading and Math Closing the Gaps targets were missed for 3 consecutive years which identifies Connally HS for Targeted Support and Improvement to be addressed during the 2022-2023 school year.

Root Cause 5: CHS staff is in need of professional development on how to appropriately serve all SPED students. CHS SPED department has struggled with staffing needs in previous years.

Problem Statement 5 Areas: Student Learning

Problem Statement 3: Our Economically Disadvantaged student group missed the Math targets for 3 consecutive years in Closing the Gaps.

Root Cause 3: Many students are transitioning to high school with limited literacy skills and exposure. The COVID interruptions have caused a continuous struggle for our students as we try to close the learning gaps. In addition, our Eco Dis students may work to help their families which results in poor attendance and engagement issues.

Problem Statement 3 Areas: Student Learning

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data

Student Data: Assessments

- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- Local benchmark or common assessments data
- State-developed online interim assessments

Student Data: Student Groups

- Special education/non-special education population including discipline, progress and participation data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Professional development needs assessment data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data

Goals

Goal 1: PfISD will recruit, support, and retain teachers and principals.

Performance Objective 1: Throughout the 2022-2023 school year, CHS teachers will continue in professional learning opportunities designed to support students' academic performance by meeting 100% of Closing the Gaps targets.

High Priority

Evaluation Data Sources: Sign-in sheet, meeting agenda, professional learning session surveys, increase in teacher performance based on PowerWalk data and classroom visits with feedback.

August 2023 Accountability reports (Closing the Gaps)

Goal 1: PfISD will recruit, support, and retain teachers and principals.

Performance Objective 2: Connally High School will recruit a diverse group of faculty and staff for the 2022-2023 school year to more closely represent our student population as open positions become available.

Evaluation Data Sources: Faculty and Staff demographic data compared to student demographic data

Goal 1: PfISD will recruit, support, and retain teachers and principals.

Performance Objective 3: During 2022-2023, Connally High School will implement practices that promote a minimum 85% retention rate of faculty and staff into the 2023-2024 school year.

Evaluation Data Sources: Faculty and Staff Retention Rate from 79% to 85%.

Goal 2: PfISD will build a foundation of reading and math.

Performance Objective 1: During 2022-2023, Connally High School will improve Algebra I STAAR EOC results to reflect:

90% at Approaches Grade Level

60% at Meets Grade Level

30% at Masters Grade Level

Algebra I will meet the targets for 9 of the 10 missed Closing the Gaps indicators.

Evaluation Data Sources: STAAR EOC results
District Assessment Data
Common Assessment Data
August 2023 TEA Accountability report for Closing the Gaps

Goal 2: PfISD will build a foundation of reading and math.

Performance Objective 2: During 2022-2023, Connally High School will improve English I and English II STAAR EOC results to reflect:

90% at Approaches Grade Level
60% at Meets Grade Level
30% at Masters Grade Level

English I and English II will meet the targets for all student groups within the Closing the Gaps domain.

Evaluation Data Sources: English I and English II EOC results
August 2023 TEA Accountability report for Closing the Gaps

Goal 2: PfISD will build a foundation of reading and math.

Performance Objective 3: By May 2023, Connally High School will improve U.S. History STAAR EOC performance to 70% at Meets Grade Level and 40% at Masters Grade Level performance.

Evaluation Data Sources: STAAR results
Common Formative Assessments
District Assessments

Goal 2: PfISD will build a foundation of reading and math.

Performance Objective 4: By May 2023, Connally High School will improve Biology STAAR EOC results to reflect:

90% at Approaches Grade Level
60% at Meets Grade Level
30% at Masters Grade Level

Evaluation Data Sources: STAAR EOC results
District Assessment Data
Common Assessment Data

Goal 2: PfISD will build a foundation of reading and math.

Performance Objective 5: CHS has established Board-approved goals for every graduating class through 2024, working toward the state goals of College, Career and Military Readiness outlined in HB3. The percentage of Class of 2022 graduates that meet the criteria for CCMR will increase to 63% (by August 2022), to 64% for the Class of 2023 (by August 2023), and to 65% for the Class of 2024 (by August 2024).

HB3 Goal

Evaluation Data Sources: August 2023 TEA Accountability reports for Class of 2022 CCMR results
August 2024 TEA Accountability reports for Class of 2023 CCMR results
August 2025 TEA Accountability reports for Class of 2024 CCMR results
(results for graduates are reported a year behind the year)

Goal 3: PfISD will connect high school to career and college.

Performance Objective 1: During 2022-2023, the teachers at Connally High School will utilize AVID strategies across all courses to increase the percentage of College, Career, and/or Military Readiness graduates from year to year.

HB3 Goal

Evaluation Data Sources: PowerWalk data
Walkthrough data from AVID leaders
Lesson Plans

Goal 3: PfISD will connect high school to career and college.

Performance Objective 2: The percent of CHS CCMR graduates that meet the threshold as COLLEGE-READY will increase to 46% for the Class of 2022 (by August 2022), to 48% for the Class of 2023 (by August 2023), and to 50% for the Class of 2024 (by August 2024).

HB3 Goal

Evaluation Data Sources: August 2023 TEA Accountability reports for Class of 2022 CCMR results
August 2024 TEA Accountability reports for Class of 2023 CCMR results
August 2025 TEA Accountability reports for Class of 2024 CCMR results
(results for graduates are reported a year behind the year)

Goal 3: PfISD will connect high school to career and college.

Performance Objective 3: The percent of CHS CCMR graduates that meet the threshold as CAREER-READY will increase to 35% for the Class of 2022 (by August 2022), to 38% for the Class of 2023 (by August 2023) and to 41% for the Class of 2024 (by August 2024).

HB3 Goal

Evaluation Data Sources: August 2023 TEA Accountability reports for Class of 2022 CCMR results
August 2024 TEA Accountability reports for Class of 2023 CCMR results
August 2025 TEA Accountability reports for Class of 2024 CCMR results
(results for graduates are reported a year behind the year)

Goal 3: PfISD will connect high school to career and college.

Performance Objective 4: The percent of CHS CCMR graduates that meet the threshold as MILITARY-READY will increase to 0.2% for the Class of 2022 (by August 2022), to 0.3% for the Class of 2023 (by August 2023), and to 0.5% for the Class of 2024 (by August 2024).

HB3 Goal

Evaluation Data Sources: August 2023 TEA Accountability reports for Class of 2022 CCMR results
August 2024 TEA Accountability reports for Class of 2023 CCMR results
August 2025 TEA Accountability reports for Class of 2024 CCMR results
(results for graduates are reported a year behind the year)

Goal 3: PfISD will connect high school to career and college.

Performance Objective 5: 100% of eligible students in the Class of 2023 will take the ACCUPLACER exam (TSI).

Evaluation Data Sources: TSI Data

Goal 4: PfISD will improve low performing schools.

Performance Objective 1: Connally High School will decrease truancy rates and increase attendance rates for students to meet or exceed a 96% attendance rate for 2022-2023.

Evaluation Data Sources: Attendance Rates
Disciplinary Data

Goal 4: PfISD will improve low performing schools.

Performance Objective 2: Connally High School will improve the graduation rates for the 2021-2022 school year to a 4-year graduation rate of 98% for the Class of 2023.

Evaluation Data Sources: Graduation Rates
Decrease in credits for students

Goal 4: PfISD will improve low performing schools.

Performance Objective 3: Throughout the 2022-2023 school year, Connally High School will improve parent resources and parent involvement and track the results through the 2023 Panorama Family Survey.

Evaluation Data Sources: Increased parent support on campus
Increased parent knowledge

Goal 4: PfISD will improve low performing schools.

Performance Objective 4: During 2022-2023, Connally High School will improve success of long term EB/ELs in the areas of: acquiring credits, exiting EB/EL status, and success on EOC tests according to results of TELPAS, EOC scores, and end of year transcript checks.

Evaluation Data Sources: TELPAS results
Transcript auditing of EB/EL students
EOC scores

Policies, Procedures, and Requirements

The following policies, procedures, and requirements are addressed in the District Improvement Plan. District addressed Policies, Procedures, and Requirements will print with the Connally HS - Board Approved:

Title	Person Responsible	Review Date	Completed By	Completed On
Bullying Prevention	Executive Director of Student Affairs	8/16/2022	Christy Fox	8/15/2022
Coordinated Health Program	Chief Academic & Innovation Officer	8/16/2022	Christy Fox	8/15/2022
Disciplinary Alternative Education Program (DAEP)	Executive Director of Student Affairs	8/16/2022	Christy Fox	8/15/2022
Decision-Making and Planning Policy Evaluation	Chief Academic & Innovation Officer	8/16/2022	Christy Fox	8/15/2022
Dropout Prevention	Executive Director of Secondary Schools	8/16/2022	Christy Fox	8/15/2022
Dyslexia Treatment Program	Executive Director of Special Programs	8/16/2022	Christy Fox	8/15/2022
Title I, Part C Migrant	Director of Federal & State Programs	8/16/2022	Christy Fox	8/15/2022
Pregnancy Related Services	Social Worker Coordinator	8/16/2022	Christy Fox	8/15/2022
Post-Secondary Preparedness	Chief Academic & Innovation Officer	8/16/2022	Christy Fox	8/15/2022
Recruiting Teachers and Paraprofessionals	Chief Human Resources Officer	8/16/2022	Christy Fox	8/15/2022
Sexual Abuse and Maltreatment of Children	Chief Human Resources Officer	8/16/2022	Christy Fox	8/15/2022
Student Welfare: Crisis Intervention Programs and Training	Executive Director of Health, Safety, Emergency, and Crisis Management.	8/16/2022	Christy Fox	8/15/2022
Student Welfare: Discipline/Conflict/Violence Management	Executive Director of Student Affairs	8/16/2022	Christy Fox	8/15/2022
Texas Behavior Support Initiative (TBSI)	Executive Director of Student Affairs	8/16/2022	Christy Fox	8/15/2022
Technology Integration	Chief Academic & Innovation Officer	8/16/2022	Christy Fox	8/15/2022
Job Description for Peace Officers, Resource Officers & Security Personnel	Chief Human Resources Officer	8/16/2022	Christy Fox	8/15/2022

Addendums

Texas Education Agency
2021-22 Preliminary School Report Card
JOHN B CONNALLY H S (227904003)

Accountability Rating

C

JOHN B CONNALLY H S earned a C (70-79) for acceptable performance by serving many students well but needs to provide additional academic support to many more students.

State accountability ratings are based on three domains: Student Achievement, School Progress, and Closing the Gaps. The graph below provides summary results for JOHN B CONNALLY H S. Scores are scaled from 0 to 100 to align with letter grades.

School Information

District Name: PFLUGERVILLE ISD
Campus Type: High School
Total Students: 1,780
Grade Span: 09 - 12

For more information about this campus, see: <https://TXSchools.gov>

Distinction Designations

Campuses that earn a rating of A-C are eligible for as many as seven distinction designations, or awards for outstanding performance.

X ELA/Reading	X Mathematics
X Science	X Social Studies
X Comparative Academic Growth	X Comparative Closing the Gaps
X Postsecondary Readiness

* Indicates results are masked due to small numbers to protect student confidentiality.

** When only one racial / ethnic group is masked, then the second smallest racial / ethnic group is masked regardless of size.

+ Ever HS EB/ELs are included in the Federal Graduation Rate.

Yes (1) Indicates the student group met the four-year long-term graduation rate target of 94.0% and demonstrated improvement of at least 0.1% over the Class of 2015 statewide baseline rate.

Yes (2) Indicates the student group met the four-year interim graduation rate target of 90.0% and demonstrated improvement of at least 0.1% over the prior year rate.

Yes (3) Indicates the student group met its four-year graduation rate growth target.

- Indicates there are no students in the group.

CCMR Plan Campus Goal - CONNALLY HS

The percentage of graduates that meet the criteria for CCMR will increase from 61% to 65% by August 2024.

Yearly Target Goals

2020	2021	2022	2023	2024
61%	62%	63%	64%	65%

Yearly Target Goals -- by Student Group

(Student Achievement Domain 1 Calculations for Each Student Group Evaluated in Closing the Gaps)
