Principal Antoine's Monthly Message

Spring will be here soon! Our popular Spring Scholastic Book Fair will take place the week before Spring Break. This is a great opportunity to pick out some fun books to share with your children during the break, which will take place **March 13-17**. The first round of STAAR testing starts on Tuesday, March 28, with 4th Grade Writing and 5th Grade Math, and Wednesday, March 29, with 5th Grade Reading. We know that all of our 4th and 5th grade students will do their best! Remember, students need to be well rested and have a healthy breakfast to do their best daily

A huge CONGRATULATIONS goes out to:

Liz Pierson

REMINDERS. . .

- On all STAAR testing days (3/28, 3/29, 5/8, 5/9, 5/10), PES will be a closed campus. We will be unable to have volunteers on campus, parents visiting teachers or classrooms, or any visitors having lunch with students on those days. Your understanding is greatly appreciated. Also, we ask that you do not schedule any doctor's appointments on those days for students taking the STAAR tests.
- Please be sure to turn in payment for any of the Spring Pictures you wish to purchase and return all of the unpurchased pictures.
- The last day to order a Yearbook is March 31. If you need a payment form, please contact the front office.
- Lost & Found is overflowing with items. Please check our Lost & Found location in the hallway outside the cafeteria for any missing items before Spring Break. Any items still remaining in Lost & Found when we leave for Spring Break will be donated to Goodwill.

From the Counselor. . .

Congratulations on a successful Pennies for Patients service learning project benefiting The Lukemia & Lymphoma Society. PES should be proud of raising \$1,648.20 to save lives. Mrs. Keown's class raised the most money with a total of \$174.88. Thank you so much to everyone who donated and made this campaign a success.

Student Council News. . .

Student Council will be selling snacks at the 1st grade musical tonight and at the evening performance of the 3rd grade musical on March 30. Please stop by and say hi! Last week's library lesson was inspired by Student Council who thought that our school community would benefit from more acts of kindness. We created an activity by having every student write one act of kindness they would complete by the end of their library day. Acts included helping teach classmates to tie their shoes, picking up extra trash, holding the door, and many other wonderful acts. This activity was the third activity for our No Place for Hate campaign. Talent show is scheduled for May so start practicing those talents.© Have a great March!

From the Nurse. . .

Calling all PES boys and their parents!

I need your help! Our clinic is running low on boys' shorts and pants in all sizes. If you have any that no longer fit or you no longer wear, please bring them to the clinic! Thank you so much for your help!

Library News. . .

Our **Dream Big Book Fair** is coming March 3-10. It is a celebration of the power of our dreams and goals to help us become **all** that we can be. To kick off our book fair we are collecting loose change for *All for Books*. These funds are directly spent during the book fair on PES kids and teachers. The two classrooms who collect the most money will get the chance to "read under the stars" as a reward. I am also searching for parent volunteers to help run the fair. If you can volunteer contact me or visit the sign up below.
