COVID 19 Update -During the spring semester of 2020, the world wide COVID 19 pandemic shutdown our district campuses and students finished out their school year at home through virtual learning. Pflugerville ISD decided through board approval that students would be awarded the grade and credit they earned in their classes for the spring, but those grades would not be calculated into the GPA.

PHS Core Values:

School Description

Public Four Year High School - 5A

Grades 9-12
