## January Newsletter

Happy New Year!! We hope that our students are well rested and ready to finish strong! 2019 will be a fantastic year!

When discussing resolutions for the new year with your family, remember to include family time to talk about what is going on at school. What kind of homework is your third grader doing? Are they understanding the homework? Are they getting along with their friends at school? Stay in the loop of what is going on. If anything raises a question, the teachers are here to help!
