PFLUGERVILLE HIGH SCHOOL

School–Parent–Student Compact

What is a school compact?

A school compact is a written agreement between a school, its parents, and students. The compact gives strategies to help support students' success in school.

The compact explains what families and schools can do to make a connection for the student between the two "worlds" they live in: home and school.

Parents, students, and the school work together to create a group of ideas that can assist the student with realizing their potential. This becomes the compact that is signed as an agreement by all those involved in the child's education.
