

Identification of 25% Student Population for Phase 2: Sept 14-Oct 8

If a campus has more than 25% of its students indicating on-campus learning, the district will utilize the weighted point system (below) to determine a 25% cut point. The weighted point system prioritizes students based on academic need.

Points	Demographic
Automatic Placement	Lack of technology or Internet or PfISD staff with in-person assignment
5	McKinney Vento
5	Foster Care
5	Children of PFISD Staff
4	Special Education
4	Free or reduced lunch
4	Children of First Responders and other ISD staff members
3	EL receiving direct service
3	Previously retained
3	Dyslexic receiving direct service
3	504
2	Record of student reading below grade level more than 1.5 years primary and 2 years 3rd and above
2	PK-K
1	1st-2nd
1	GT
1	5th grade students and above who did not pass 2019 Reading STAAR
1	5th grade students and above who did not pass 2019 Math STAAR

ALL OTHER STUDENTS WILL REMAIN IN VIRTUAL LEARNING
