Zana.muscove@pfisd.net

“My goal is to support students with their mental health needs so they can reach their fullest academic potential and remain resilient.”

Referral Form (Scan Here)

## **Mission:**

School Social Workers provide families and students with support by mobilizing available resources, fostering positive relationships between family, school and community, and developing opportunities for students to prosper in their educational experiences and beyond.

## **Services provided:**

- Mental Health Crisis Counseling, Consultation and Support
- Short-term Individual and Support Group Sessions
- Basic needs assistance (food, clothing, housing assistance, school supplies, etc.)
- Homelessness/Displacement
- Pregnancy Related Services
- Community Agency Referrals and assistance
- Parent support and education
- Consultation, coordination and collaboration with school, families, and community to determine how best to support our PHS students
