

# Children's Hearing Aid Texas (CHAT) Program

The Children's Hearing Aid Texas (CHAT) Program provides auditory services to children in Central Texas. Children's Hearing Aid Texas offers financial assistance for the following services:

- Hearing aids and ear molds
- Audiological diagnostics (including any special testing required)
- Services required to fit and maintain hearing aids
- Hearing aid repairs
- Cochlear implant replacement parts (batteries, cords, headpieces)
- Cochlear implant mapping sessions

Please call (512) 454-3743 for more details.
