Dear Parent/Guardian,

Our Pflugerville ISD Libraries have gone digital and now offers hundreds of ebooks and audiobooks through Sora.

The collection of titles in Sora is an extension of the physical library, only it's in an app with 24/7 access to ebooks. It's convenient for students to check out titles at home, on the weekends or during school closures with no worry about misplacing a book – these digital titles automatically return at the end of the lending period!

Students can access Sora through Clever or by downloading the app on their device. It's quick and easy!
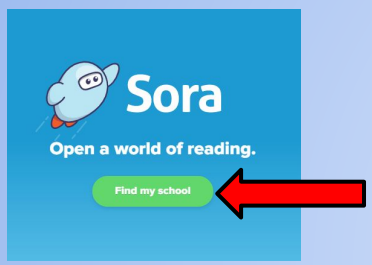

**Through Clever:**

In Clever, scroll down to the fifth section of the page, labeled "Online Learning Resources (District)". Click on Sora and then click "Find my School." Select Pflugerville ISD. It will ask you to choose a school to log in to. Select Pflugerville ISD again, and that's it!

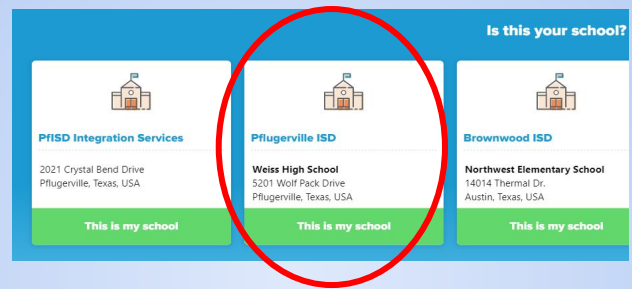

**Through the App:**
