

Athletic Handbook

Westview Parents and Boys Athletes,

We are very excited about the upcoming athletic school year and would like to start the year off right.

All student athletes at Westview must have physical, proper paperwork, (steroid form, cardiac arrest form, concussion form, emergency card and medical history form), and a combination lock in order to be assigned a locker and receive equipment.

We are sending home a packet with the athletic policies and guidelines, a tentative workout schedule, hydration and nutrition facts, addresses to all game locations and a football schedule.

Please review the handout with your child and feel free to contact the coaching staff with any questions.

Phone: (512) 594-2251
