

Dear PfISD Parents:

Your child's cafeteria makes available for purchase a variety of side, snack, and beverage items to supplement your child's meal that are not included with the reimbursable tray meal. These items are all USDA approved for school programs based on nutritional requirements. If you do not wish for your child to purchase these items with their meal account, please notify us by completing this form and submitting it to our Food Service Office via email (denise.meserole@pfisd.net) or your campus cafeteria manager so that we may note on your child's account.

If you have questions, please feel free to contact our department at 512-594-0430. We encourage you to utilize www.MySchoolBucks.com to help manage your child's food service account, including adding funds.

Sincerely,
Geoff Holle
