Yes. We are working to post these by the end of business on October 23, 2020.

Points are awarded based on the construction manager's status only.

Yes.
- 4) In section D, where it says to list all educational building projects your firm has completed within the past ten years- are you looking for us to showcase every project or projects similar in size and scope?**
We want to know all educational building projects completed, but will pay close attention to those jobs which are of similar size and scope to this project.
