Addendum #2: Questions & Answers

1. Can you please provide Form G, per page 22?

Please disregard the reference to Form G. It will not be required.
Please include your standard financial exhibit.

2. Can you please confirm that Form E (page 20) is a request for W-9 Taxpayer ID Number and Certification? The header indicates such, but the form on that page is the Conflict of Interest Questionnaire which was already supplied as part of Form C.

Confirmed

3. Are we able to obtain pharmacy claims for claimants over \$50,000?

This will be provided by Sarah Doty (sarah.doty@marshmma.com)

4. I did not see any mention of Retirees or COBRA participants in the RFP or in the Census, so we will assume they are not covered / none for now. Please let me know if this is incorrect, as they will need to be identified/added to the Census.

Retirees are not covered, however there are COBRA participants. Sarah Doty (sarah.doty@marshmma.com) can provide the COBRA census.

- 5. Attachment C - the UHC Large Claims report, did not include a date range or list what lines of coverage were included in the Total Paid amounts. Can you please verify the date range for the report, and please verify if both paid medical and paid rx claims are included?**

Attachment C is medical claims for claimants over \$50,000 for 1/1/2019 through 8/31/2020. An updated report with medical claims through September is available, and a large claims Rx report is available. Sarah Doty (sarah.doty@marshmma.com) can provide.

- 6. If possible, please provide the Renewal Rates (please note, this will not hold up the RFP process, and we don't share these with our Carriers).**

Renewal rates will not be released at this time

- 7. Form G was left blank on the RFP and stated it would be addressed in an Addendum, however I did not see anything regarding Form G in the first Addendum. When can we expect to receive this form?**

Please disregard the reference to Form G. It will not be required.
Please include your standard financial exhibit.
